

BLUE ALPHA

INVESTMENT MANAGEMENT

GRADUATE INTERNSHIP – 2024

About our graduate internship programme:

BlueAlpha's Graduate program is designed to give the successful candidate the opportunity to gain valuable work experience at a successful growing boutique asset manager. The internship will not only provide valuable work experience, but it also includes structured training and formal work readiness guidance. The internship program is aimed at growing the candidates' confidence as they head out into the investment industry after spending time within our organisation.

This position is a fixed 12-month programme. The graduate will be supported by a mentor in their team to assist them in their understanding of the business and help them grow along the way. Candidates will be expected to successfully complete various industry specific courses and skills development initiatives to further equip themselves for positions in the industry and for their future.

About BlueAlpha Investment Management:

BlueAlpha is a Cape Town based boutique investment management firm, established in 2003 and has an enviable 17-year investment track record. We have won various Raging Bull awards for our top performing funds over the years. Our focus is on equity investments (both local and offshore equity). Our team works closely together to achieve the best possible outcome for our clients, while the emphasis is on teamwork being proactive, independent, and hardworking will ensure success in a business where performance is a key determinant of success.

Requirements to apply:

The candidate will need to meet the below criteria:

- Recent university graduate who has completed a degree between 2020 and 2023.
- Must be a Black person (as per the definitions in the B-BBEE codes, who is a citizen of the Republic of South Africa)
- Degree should be investment related, but not a prerequisite
- Aptitude for numbers
- Passion and interest in investment management and the stock markets
- Be prepared to study further and attend courses
- Hard worker, willing to commit to the internship and show progress
- Must be proficient in Microsoft including Excel and PowerPoint
- Must live in Cape Town and have reliable transport to get to our offices in the Foreshore area
